

Referral Donation Program for United Veteran Benefits Agency

Many of us know veterans who need assistance processing and filing their VA disability claim. United Veteran Benefits Agency will be donating \$100 to a charity organization on behalf of friends and family who refer Veterans to our organization. Please see below for more information.

A \$100 donation will be made to a military related charity on behalf of the individual who refers a veteran to United Veteran Benefits Agency that concludes with the Veteran receiving an increase in their monthly VA disability compensation. Referral payments will be made to a charity selected by United Veteran Benefits Agency on a quarterly basis. Please note below some of the organizations we work with and donate to.

This charity donation program will replace any previous referral bonus programs, effective August 1, 2021.

United Veteran Benefits Agency currently has multiple charitable organizations that we donate to. These organizations include: Boulder Crest, The Armed Services YMCA, Motorcycle Relief Project, and the Association of the United States Army. As an agency we are always looking to expand the list of organizations we donate to. If you would like to refer an organization to be added to our charity list, please provide the details of the organization in writing to United Veteran Benefits Agency.

It is your referrals that allow us to help as many veterans and their families as we do. Thank you for sharing your story to your friends and family and supporting veteran non-profit organizations in the process.
